List of Warning/Indicator Lights

*: It also comes on due to natural causes such as natural air leaks and tire inflation pressure changes caused by temperature. Adjust the tire inflation pressure to the specified level. The light will turn off after a few minutes. In case the light does not turn off even if the tire inflation pressure is adjusted, have the system checked by your Lexus dealer.

If the electronic key does not operate properly

Unlocking and locking the doors
Use the mechanical key in order to perform the following operations:

1. Locks all the doors
2. Closes the windows and moon roof* (turn and hold)
3. Unlocks the door
   Turning the key rearward unlocks the driver's door. Turning the key once again within 5 seconds unlocks the other doors.
4. Opens the windows and moon roof* (turn and hold)

*: This setting must be customized at your Lexus dealer.

Unlocking the trunk
Turn the mechanical key clockwise to open.

Starting the hybrid system
1. Ensure that the shift lever is in P and depress the brake pedal.
2. Touch the Lexus emblem side of the electronic key to the power switch.
   The power switch will turn to ON mode.
   When the smart access system with push-button start is deactivated in customization setting, the power switch will turn to ACCESSORY mode.
3. Firmly depress the brake pedal and check that [icon] is shown on the multi-information display.
4. Press the power switch.

In the event that the hybrid system still cannot be operated, contact your Lexus dealer.

If the electronic key battery becomes depleted, replace it with a new battery. For instructions on replacing the battery, refer to the Owner's Manual. If you need further assistance, contact your Lexus dealer.

If the hybrid system doesn't start

Make sure that the correct operating procedures have been followed.

Brake pedal

Make sure that the brake pedal is firmly depressed when attempting to start the hybrid system.

If the hybrid system still does not start, see the Owner's Manual for more information or contact your Lexus dealer.
